FAQ'S

Is there parking?

Yes! We can park approximately 250-300 cars on site in the car park areas of the site. During your wedding it's imperative that we keep the gravel turning circle at the bottom of the site clear of vehicles unless being used for dropping off. This will help your guests be dropped off and collected if using a taxi service.

Are there toilets and showers onsite?

On the main field we have four flushing toilets & three showers. Group camping has two toilets & one shower. Jabba & Bertie have toilet's inside. The Treehouse & Monty & Dan have an external toilet and shower. Additional toilets and showers can brought onto site at your own cost.

Can we use our own Caterers?

Yes, we allow you the freedom to select your own cater. Your caters will also be responsible for any food related requirements such as tableware, linen etc.

Do you offer Corkage and is there a bar?

We do offer corkage, please see our drinks brochure. Moonacre provides a fully stocked bar where bespoke drinks can be pre-arrange to ensure it suits all your needs. Only alcohol purchased on site can be consumed in the marquee and surrounding area of the main site. For legal reasons no alcohol can be served or consumed in the wedding ceremony area until after the wedding. The Bar will be opened no earlier than 12:00noon and will close no later than 11:00pm Unless late night hours have been purchased, the bar will close 30 minutes before the end of your event.

Our Bar is also card only.

What time can we play music until?

All Music must be switched off by 11pm.

Live music which has heavy bass instruments must be finished by 9pm, all bands must play inside the marquee only. DJs can then play until finish.

How do I secure my booking?

To confirm your wedding with us we require you to complete a booking form and pay £1000 security deposit. This acts as your damage deposit and will be refunded after the wedding should there be no damages.

Can I go on a payment plan?

Yes, we like to help our couples wherever we can so can offer bespoke payment plans. Typically payments are split into 4 payments of 25% with everything paid up no less than 30 days before the wedding.
